SUBJECT INDEX

Abundance
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Age
Age and growth of four *Sardinella* species from Sri Lanka 1
Age determination
Age determination and growth of eel, *Anguilla anguilla* (L.), in Lake Fertö, Hungary 101
Age distributions
Changes in size - and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Allozyme markers
Stock discreteness in herrings: a conceptual revolution 223
Anguilla anguilla
Age determination and growth of eel, *Anguilla anguilla* (L.), in Lake Fertö, Hungary 101
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Aquaculture
Marketing (book review) 75
Arabian Gulf
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Artificial collectors
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus* 317
Atlantic halibut
Changes in size - and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Atlantic salmon
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed 131
Australia
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas 243
Autolysis
A review on autolysis in fish 259
Barramundi
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas 243
Beam trawl
Development of a plumb staff beam trawl for sampling demersal fauna 35
Beating
Assessment of fishing effort in Parakrama Samudra, an ancient man-made lake in Sri Lanka 271
Benthic settlement
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus* 317
Bering Sea
Fisheries in the Gulf of Alaska and the Bering Sea (book review) 78
Bluefin tuna
Aspects of the reproductive biology of the southern bluefin tuna (*Thunnus maccoyii*) 297

Bottom-trawl otterboards
The otter board as a low-aspect-ratio wing at high angles of attack; an experimental study 111
Buoy density
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Canada
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed. 131
Cancer irroratus
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus*. 317
Catch efficiencies
Assessment of fishing effort in Parakrama Samudra, an ancient man-made lake in Sri Lanka 271
Catching methods
Fish catching methods (book review) 176
Coastal studies
Coastal and estuarine studies (book review) 167
Cohort growth
Static optimization of yield per recruit with reproduction and fishing costs 181
Computer simulations
Personal computer simulations of two New England trawl fisheries 157
Costs
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Static optimization of yield per recruit with reproduction and fishing costs 181
Crab
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus*. 317
Cutthroat trout
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses. 343
Demersal fauna
Development of a plumb staff beam trawl for sampling demersal fauna 35
Demersal fish
A towed, self adjusting sled sampler for demersal fish eggs and larvae 235
Distribution
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Ecology
Barnegat Bay, New Jersey (book review) 358
Western Cape Cod Bay (book review) 174
Eel
Age determination and growth of eel, *Anguilla anguilla* (L.), in Lake Fertö, Hungary 101
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Egg production
Static optimization of yield per recruit with reproduction and fishing costs 181
Eggs
A towed, self-adjusting sled sampler for demersal fish eggs and larvae 235
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331

Enzymes
A review on autolysis in fish 259
Estuarine studies
Coastal and estuarine studies (book review) 167
Exploitation
Changes in size- and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Static optimization of yield per recruit with reproduction and fishing costs 181
Exploitation (book review) 356
Fecundity
Aspects of the reproductive biology of the southern bluefin tuna (*Thunnus maccoyii*). 297
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Fibre ropes
Fibre ropes (book reveiw) 85
Freshwater fisheries
Freshwater fisheries (book review) 361
Gear designs
A general review of mesh selection for *Nephrops norvegicus* (L.) 59
Gene flow
Stock discreteness in herrings: a conceptual revolution 223
Gillnets
Experimental studies of Pacific herring gillnets 191
Gonad Index
Aspects of the reproductive biology of the southern bluefin tuna (*Thunnus maccoyii*). 297
Growth
Age and growth of four *Sardinella* species from Sri Lanka 1
Age determination and growth of eel, *Anguilla anguilla* (L.), in Lake Fertö, Hungary 101
Gulf of Alaska
Fisheries in the Gulf of Alaska and the Bering Sea (book review) 78
Halibut
Changes in size- and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Herring
Experimental studies of Pacific herring gillnets 191
Herring fishing (book review). 173
Stock discreteness in herrings: a conceptual revolution 223
High angles of attack
The otter board as a low-aspect-ratio wing at high angles of attack; an experimental study 111
Hippoglossus hippoglossus
Changes in size- and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Hungary
Age determination and growth of eel, *Anguilla anguilla* (L.), in Lake Fertö, Hungary 101
Importation of fishing materials
Regulations and policies on the importation of fishing materials in Nigeria: 1970—1980 213

Inner-shelf areas
A towed, self-adjusting sled sampler for demersal fish eggs and larvae 235
Interviewing
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Juvenile growth
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus*. 317
Kuwait
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Larvae
A towed, self-adjusting sled sampler for demersal fish eggs and larvae 235
Lates calcarifer
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas. 243
Law
Sea law (book review) 81
Legislation
Regulations and policies on the importation of fishing materials in Nigeria: 1970—1980 213
Lobster
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Low-aspect-ratio wing
The otter board as a low-aspect-ratio wing at high angles of attack; an experimental study 111
Management
Coastal and estuarine studies (book review) 167
Freshwater fisheries (book review) 361
Resource management (book review) 362
Marketing
Marketing (book review). 75
Mesh selection
A general review of mesh selection for *Nephrops norvegicus* (L.) 59
Migration
Fish migration (book review). 169
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas. 243
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Migratory salmon
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed. 131
Monofilament gillnets
Experimental studies of Pacific herring gillnets 191
Mortality
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas. 243
Movements
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses. 343
Nephrops norvegicus (L.)
A general review of mesh selection for *Nephrops norvegicus* (L.) 59

Nigeria
Regulations and policies on the importation of fishing materials in Nigeria: 1970—1980 213
Norway
Changes in size - and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Otoliths
Age and growth of four *Sardinella* species from Sri Lanka 1
Otter board
The otter board as a low-aspect-ratio wing at high angles of attack; an experimental study 111
Otter-trawls
Development of a plumb staff beam trawl for sampling demersal fauna 35
Personal computer simulations of two New England trawl fisheries 157
Pacific
Experimental studies of Pacific herring gillnets 191
Parakrama Samudra
Assessment of fishing effort in Parakrama Samudra, an ancient man-made lake in Sri Lanka 271
Plumb staff beam trawl
Development of a plumb staff beam trawl for sampling demersal fauna 35
Polar areas
Sea law (book review) 81
Pond fisheries
Pond fisheries (book review) 80
Population dynamics
Population dynamics (book review) 171
Processing
Shipboard refrigeration (book review) 359
Recovery rate
Migration patterns in barramundi, *Lates calcarifer* (Bloch), in Van Diemen Gulf, Australia, with estimates of fishing mortality in specific areas. 243
Recruitment
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus*. 317
Refrigeration
Shipboard refrigeration (book review) 359
Remote sensing
A cost-evaluation of techniques designed to assess Canadian lobster fishing effort 283
Reproduction
Aspects of the reproductive biology of the southern bluefin tune (*Thunnus maccoyii*). 297
Static optimization of yield per recruit with reproduction and fishing costs 181
Resident salmon
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed 131
Resource management
Resource management (book review) 362
Riverine migration
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Rock crab
The utility of artificial collectors as a technique to study benthic settlement and early juvenile growth of the rock crab, *Cancer irroratus*. 317

Ropes
Fibre ropes (book review) 85
Salmo clarki clarki
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses 343
Salmo salar
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed 131
Salmon
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed 131
Sampling
Development of a plumb staff beam trawl for sampling demersal fauna 35
Sardine
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Sardinella
Age and growth of four *Sardinella* species from Sri Lanka 1
Sardinella fimbriata
Distribution and abundance of sardine *Sardinella fimbriata* (Val.) eggs in Kuwait waters of the Arabian Gulf 331
Scale analyses
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses 343
Scotland
Herring fishing (book review) 173
Sea law
Sea law (book review) 81
Sexual maturity
Changes in size - and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Shipboard refrigeration
Shipboard refrigeration (book review) 359
Size-distributions
Changes in size - and age-distributions and age at sexual maturity in Atlantic halibut, *Hippoglossus hippoglossus*, caught in North Norwegian waters 145
Sled sampler
A towed, self-adjusting sled sampler for demersal fish eggs and larvae 235
Spawning areas
Identification of spawning areas of two forms of Atlantic salmon (*Salmo salar* L.) inhabiting the same water shed 131
Spawning season
Age and growth of four *Sardinella* species from Sri Lanka 1
Spoilage
A review on autolysis in fish 259
Sri Lanka
Age and growth of four *Sardinella* species from Sri Lanka 1
Assessment of fishing effort in Parakrama Samudra, an ancient man-made lake in Sri Lanka 271
Stock assessment
Stock assessment (book review) 76
Stock discreteness
Stock discreteness in herrings: a conceptual revolution 223

Substrate-sampling
A towed, self-adjusting sled sampler for demersal fish eggs and larvae 235
Survival data
Static optimization of yield per recruit with reproduction and fishing costs 181
Tagging
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses 343
Techniques
Fisheries techniques (book review) 83
Temperature
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Thunnus maccoyii
Aspects of the reproductive biology of the southern bluefin tuna (*Thunnus maccoyii*) 297
Toxicology
Aquatic toxicology (book review) 355
Trawl fisheries
Personal computer simulations of two New England trawl fisheries 157
Tropical waters
Population dynamics (book review) 171
Trout
Movements of potamodromous coastal cutthroat trout, *Salmo clarki clarki*, inferred from tagging and scale analyses 343
Tuna
Aspects of the reproductive biology of the southern bluefin tuna (*Thunnus maccoyii*) 297
U.S.A.
Barnegat Bay, New Jersey (book review) 358
Movements of potamodromous coastal cutthroat trout, *Salmo calrki clarki*, inferred from tagging and scale analyses
Personal computer simulations of two New England trawl fisheries 157
Western Cape Cad Bay (book review) 174
Water temperatures
Riverine migration of young eels *Anguilla anguilla* (L.) 43
Yield
Assessment of fishing effort in Parakrama Samudra, an ancient man-made lake in Sri Lanka 271
Yield per recruit
Static optimization of yield per recruit with reproduction and fishings costs 181
